

## NOTE

- 1) Use of smiley stickers while checking Dotbook and other notebooks.
  - 2) Regularly say and remind children to say “Thank you”, “Welcome”, “Please”. Also teach them their “Mother’s Father’s, Brother’s, Sister’s Name” on a daily basis.
  - 3) Display boards should be made and designed around “Shape of the month” and “Colour of the Month”. Student’s work should also be displayed.
  - 4) Teachers can think of activities which can be done on Festivals.
  - 5) Continue the use of Magic words like “Please”, Thank You”, Welcome” in front of kids.
  - 6) There are many activities related to videos which require students to go to the computer lab. Therefore, teachers can show different videos of different subject on the same day. Make sure that you give considerable time to each subject.
- 7) Make sure to revise everything the children did last month.**

### CHILDREN’S EVALUATION SHALL BE DONE ON THE FOLLOWING BASIS -

- 1) If they know all the rhymes of this month. (English and Hindi)
- 2) If they can make all the shapes taught to them this month.
- 3) What they know about the festival of the month.
- 4) If they can draw the Shape taught in the month.
- 5) Identify the colour of the month.
- 7) Activities and Dotbook.
